TRAXXAS

BLAST™

High-Performance Electric Race Boat

The Traxxas Blast™ is designed to be fast, reliable and easy to drive. It's one hot performer with its powerful 20-turn Stinger™ water cooled motor, efficient shaft drive, and the exclusive Nautica™ waterproof electronic speed control. Nautica's digital circuitry provides fully proportional throttle control and long run times. The steerable outrdrive, deep-V stability, and surface-piercing prop work together to keep the Blast on a solid course in rough water. You can even adjust the trim angle of the outrdrive for the perfect ride. The Blast's colorful decals and simple operation get you out on the water and having fun fast!

IMPORTANT! THIS PRODUCT IS NOT DESIGNED FOR CHILDREN OR MINORS YOUNGER THAN 14 YEARS OLD. RESPONSIBLE ADULT SUPERVISION IS REQUIRED DURING OPERATION AND MAINTENANCE.

Read all enclosed information before operating. Fully illustrated, step-by-step instructions describe adjustment and required maintenance procedures. Blast should not be operated in a crowd, indoors or without adequate space. The vehicle is fully assembled, ready to run, and requires the following items for operation: 4 AA alkaline batteries. These are available from your hobby dealer. In an effort to continually upgrade our products, Traxxas reserves the right to make improvements and modifications to this model, which may not be reflected in the photographs and specifications printed on this box. Battery and charger style subject to change and may vary from photos.
