WHAT YOU'LL NEED TO RUN YOUR JATO 3.3:

Sold separately at your hobby dealer.

Traxxas Top Fuel® Power Plus™
Fuel Filler Bottle Included!

8 AA Alkaline
Batteries

IMPORTANT! THIS PRODUCT IS NOT DESIGNED FOR CHILDREN OR MINORS YOUNGER THAN 16 YEARS OLD. RESPONSIBLE ADULT SUPERVISION IS REQUIRED DURING OPERATION AND MAINTENANCE.

Jato 3.3 is very fast and carries our highest skill level rating of 5 (Expert: for experienced drivers only!). Prior experience with R/C models is required. Jato 3.3 is a high-performance model which is NOT intended for use on public roads or in congested areas where its operation may conflict with or disrupt pedestrian or vehicular traffic. Read all enclosed information before operating. Fully illustrated, step-by-step instructions describe adjustment and required maintenance procedures. Jato should not be

operated in a crowd, indoors or without adequate space and ventilation. The vehicle is fully assembled, ready-to-run, and requires the following items for operation: 8 AA alkaline batteries and model car fuel. These items are available from your hobby dealer. In an effort to continually upgrade our products, Traxxas reserves the right to make improvements and modifications to this model, which may not be reflected in the photographs and specifications printed on this box. Battery and charger style subject to change and may vary from photos.

TRAXXAS

THE FASTEST NAME IN RADIO CONTROL®

JATO 3.3

Tire-Burning, Pavement-Roasting
HORSEPOWER!

EXTREME POWER

**0-60mph in
4.2 Seconds!**

Extreme Power For Expert Drivers.

Jato 3.3 is the most powerful Ready-To-Race 2WD nitro truck ever conceived. The incredible TRX 3.3 Racing Engine is bigger, faster, and puts out a whopping 60% more peak horsepower compared to the legendary, award-winning TRX 2.5 Racing Engine.

Relentless horsepower and the lightweight Jato platform combine for a driving experience that is like no other. The explosive acceleration and extreme top speed are intended to test the reflexes of only the most skilled and experienced drivers. The included wheelie bar is mandatory equipment. The broad linear power output of the TRX 3.3 Racing Engine delivers responsive, wheels-up power at almost any speed.

The New Face of On-Road

Jato 3.3's super sticky Anaconda™ tires, installed sway bars, and 65+mph top speed give it real-world street performance that surpasses on-road only sedans. Plus, Jato isn't just limited to the asphalt. The stadium truck ground clearance and class-leading suspension travel allow you to drive up and over the curb for serious off-road performance through grass, dirt, gravel, or wherever your driving adventures take you.

Ultimate Power. Total Support.

With a Traxxas model, there's no penalty for having extreme, world-class horsepower. The TRX 3.3 Racing Engine has the convenience of Traxxas' EZ-Start push-button electric starting. It includes built-in diagnostics to monitor your glow plug condition and starting functions. There's no easier way to start an engine. Traxxas builds more car and truck engines than anyone, so you can always count on the reliability and support that has been proven in thousands and thousands of Traxxas TRX Racing Engines. Plus, you're investment is protected by the exclusive Traxxas Lifetime Engine Replacement Plan. Our goal is to make your experience with our products as easy and as fun as possible.

Integrated power system includes a blue-anodized Resonator™ tuned pipe optimized for maximum speed and acceleration.

TRAXXAS

THE FASTEST NAME IN RADIO CONTROL®

NEW

TQi 2.4GHz Intelligent Radio System

TRAXXAS

Compatible with iPhone, iPad and iPod touch

The World's Most Advanced Ready-To-Race[®] Radio System

A powerful model like the Jato 3.3 deserves the world's most advanced Ready-To-Race[®] radio system. The radio system after all is the sole connection between the driver and machine. It has to be precise, comfortable, powerful, and reliable. The all-new Traxxas[®] TQi[™] radio system arrives with a full complement of tuning features, long-range, high-output, 2.4GHz signal, and proven Traxxas reliability for rock-solid performance. It's so advanced, it doesn't even need an external antenna; however, the most important new feature may already be in your pocket. The TQi is equipped with the Traxxas Link Wireless Module that connects via *Bluetooth*[®] and turns your iPhone, iPad, or iPod touch* into a powerful tuning tool for your Jato 3.3. The full-color display combines with the Traxxas Link[™] app to deliver an intuitive, high-definition, full-color graphical user interface that unlocks the full potential of your radio system for ultimate vehicle control.

5-Channel Receiver With 3 Telemetry Ports

Telemetry Sensors Installed View speed, RPM, temperature, and voltage data on the Traxxas Link dashboard

Traxxas Link[™] Wireless Module connects with your iPhone, iPad, or iPod touch*

Wirelessly adjust your transmitter settings and receive real-time telemetry from your model with Traxxas Link[™]

* Compatible with: iPhone[®] (4s and later) iPad[®] (3rd gen and later) iPod touch[®] (5th gen and later) iPad mini[™]

TRAXXAS LINK

Available on the App Store

To experience all of the exciting TQi features, you must download the Traxxas Link Application from the App Store. App sold separately.

Traxxas Link Wireless Module

The Traxxas Link Wireless Module connects via *Bluetooth*[®] to your iPhone, iPad, or iPod touch,* and opens the door to a whole new world of performance data, control, and tuning flexibility. Wireless Traxxas Link allows a friend to remotely monitor/record performance data, such as speed, RPM, voltage, and temperature, while you drive.

Intuitive Graphical Interface

The Traxxas Link app combines with the high-quality display on your device to provide an intuitive, high-definition graphical interface that makes it easy to access and explore all the powerful tuning and options built into every Traxxas TQi radio system.

Control your Transmitter Settings

Access functions, such as throttle and steering sensitivity, endpoint adjustments, throttle and braking percentages, servo reversing, and much more. Simply tap and move the sliders to experience the changes live on your model and save your settings as Drive Profiles.

Manage your Models and Profiles

Traxxas Link automatically stores and retrieves the drive profile information for up to 30 models. The Traxxas Link app allows you to visually manage all your models and profiles for easy access and customization.

Customizable Dashboard

The Traxxas Link app allows you to customize the dashboard to display the gauges you want to see. Choose analog dials or digital readouts. Up to 9 gauges can be displayed at once for real time data from all your sensors.

See Real-time Speed and Data

The Traxxas Link app delivers real-time telemetry data so that your gauges deliver instant response. Record your runs for later playback to review voltage, temperature and of course, top speed.

iPhone, iPad, and iPod touch not included

TELEMETRY SENSORS INSTALLED! VIEW SPEED, RPM, TEMPERATURE, AND VOLTAGE DATA ON THE TRAXXAS LINK DASHBOARD
