

3D Printed Engine

Detail your car or truck with this 8-piece engine set. Print the parts out from your 3D printer with the FREE downloadable print files or purchase the Engine Parts and Radiator from our Shapeways 3D print shop.

- Designed to be modular so that it can be customized.
- Engine is symmetric with both left and right halves of the motor.
- Servo winch can be used with no modification.
- The engine cover is designed to work with solid axle trucks.
- Components are designed to be lightweight so that it does not negatively affect the chassis C.G.

Engine Block, Valve Covers, Intake, Air Cleaner, Fan, Timing Chain Cover, Harmonic Balancer
