

**“Sinalco” Showtruck & Trailer**

Im Jahre 1902 erfindet Friedrich Eduard Bilz ein schmackhaftes Erfrischungsgetränk, die „Bilz-Brause“, die sofort zahlreiche Käufer regelrecht begeistert. Der überraschend gute Erfolg zieht aber auch eine Reihe von Imitationen nach sich. Um diese Nachahmungen markenrechtlich zu unterbinden, wird im Rahmen eines Preisausschreibens ein passender Name gesucht, wobei die Bezeichnung „Sinalco“ als Abkürzung für den lateinischen Ausdruck „sine alcohole“ (ohne Alkohol) ausgewählt wird. 1905 ist der Markenname „Sinalco“ geboren. Schon zwei Jahre später beginnt der Export mit den Schwerpunkten Südamerika und Nahost, Start eines weltweiten Siegeszuges. 1937 kommt der rote Punkt als weiteres Markenzeichen hinzu. Der jetzige Eigentümer von Sinalco, die Sinalco International und deren Unternehmenstochter "Deutsche Sinalco GmbH Markengetränke & Co. KG" mit Sitz im nordrhein-westfälischen Duisburg, feiert 2005 das 100jährige Bestehen dieser ältesten Softdrinkmarke Europas mit zahlreichen Events. Bundesweit kommt dabei ein Truck-Trailer Gespann zu PR- und Werbezwecken zum Einsatz. Die eingesetzte, vielseitige Zugmaschine, ein schwerer „Conventional“ (Haubenlenker), wurde ursprünglich für den Schwerlastbereich konstruiert. Sie ist, je nach Bedarf, mit unterschiedlichen, großvolumigen Motortypen von 400 PS aufwärts ausgestattet.

**“Sinalco” Showtruck & Trailer**

In 1902 Friedrich Eduard Bilz invented a delicious refreshing beverage called "Bilz-Brause" that quickly became popular with large numbers of customers. However, this amazing success gave rise to a whole series of imitations. In order to put a stop to these imitations under the trade marks law, a competition was held to find a suitable name. The name "Sinalco" which was an abbreviation of the Latin "sine alcohole" (non alcoholic) was selected. In 1905 the trade name "Sinalco" was born. Only two years later exports started, primarily to South America and the Near East, and the drink became a triumph world-wide. In 1937 the red dot became another trade mark.

In 2005 the present owners of "Sinalco", Sinalco International and their German subsidiary Deutsche Sinalco GmbH Markengetränke & Co. KG with their head office in Duisburg, celebrated the centenary of the oldest soft drink label in Europe with numerous events. Throughout Germany a truck-trailer combination was used for PR and publicity purposes. The versatile tractor used, a heavy conventional cab-behind-engine truck was originally designed for heavy-duty haulage. According to requirements, it can be equipped with various types of powerful engines from 400 hp upwards.
