

For Immediate Release: March 28, 2023

New Factory Team 2-Gear Differential Cross Pins for the RC10B74 Series

(Pictured: #92322 RC 10B74.2 FT 2-Gear Differential Cross Pin Set.)

Increase the durability of your RC10B74 differentials when running the popular two-gear configuration. Factory Team now offers the 2-Gear Differential Cross Pin Set, which includes two solid steel cross pins designed for using only two planet gears in the differential.

Fits the RC10B74, RC10B74.1, RC10B74.1D, RC10B74.2, and RC10B74.2D.
