## NEW! 4WD 2.2" Front Wheels with 12mm Hex

#92096 wheels mounted on the RC10B64D

The same diameter and offset that Team Associated has used with our 4WD buggy wheels in the past, but now with the more popular and durable 12mm hex mounting.

These wheels fit the RC10B64D without an adapter, and fit the B44 series buggies when outfitted with the optional #9955 12mm hex.
